The cost of illustrative material, in excess of $1.00 per page for the article, beyond the cost of type which would have occupied the same space, shall be borne by the author. ¶ 3. The cost of corrections in proof in excess of 10 per cent of the cost of first composition, will be charged to the author. ¶ 4. While the cost of printing remains as now, the Journal cannot supply reprints without charge, but reprints will be furnished authors at cost, if ordered in advance of publication.
